

RANGE PRECISION MACHINING

CORPORATE OVERVIEW

Since 1983, **Range Precision Machining** has specialized in producing “Military Grade” CNC machined components.

Range Precision supports **120 direct customers** in **16 diverse manufacturing sectors**, including major defense contractors such as **Northrop Grumman**. In the last 15 years, Range Precision has created over **5,000 new prototype products** utilized in **25 countries worldwide** with **zero** customer quality returns for Multiple Years in a row.

For reliable, quality products, trust **Range Precision Machining**.

CORE COMPETENCIES

Machining

*Milling (VMC & HMC)
Lathe (Multi-Axis Turning)
EDM (Complex Profiles)*

Surface Finishes

*Coatings & Plating
Precision Grinding
Polishing, Lapping & Honing*

Quality Assurance

*ISO Certified & Compliant
First Article Inspection Reports
Industry-Specific Documentation*

Packaging & Logistics

*Custom Packaging Design
Label Compliance
Freight Management*

DIFFERENTIATORS

- 42+ years in business
- Created over 5000 new products in 15 years
- Provide products for 16 Manufacturing Sectors
- Products used in 25 countries worldwide
- Quality Awards

CORPORATE SNAPSHOT

ISO 9001:2015 Certified: FM813366
ITAR Registered: M50847
JCP Certified: 0089925

UEI: U6LVEL3M1CR9
CAGE CODE: 9YV41
UNGM: 1080263
Small Business Certified

Micro-Purchase (credit card < \$10,000)
8(a) Sole Source
Small Business Set-Aside

Primary NAICS:

332710 (Machine Shops)

Additional NAICS:

- 332710 Machined Components for Defense
- 332510 Hardware Manufacturing
- 332721 Precision Turned Products
- 336413 Aircraft Component Products
- 336611 Naval Component Hardware
- 334419 Machined Parts for Electronics
- 339112 Medical Instrument Manufacturing
- 326199 Plastics Machining

PAST PERFORMANCE

United States Marine Corps

AN/TP-80 Ground/Air (G/ATOR) Radar System
\$367,000 Tier 2 Subcontractor to Northrop Grumman
2024

United States Marine Corps

AN/TP-80 Ground/Air (G/ATOR) Radar System
\$620,000 Tier 2 Subcontractor to Northrop Grumman
2021

United States Marine Corps

AN/TP-80 Ground/Air (G/ATOR) Radar System
\$166,000 Tier 2 Subcontractor to Northrop Grumman
2019
